

Preparation day and seminar with Marko Pogačnik in Zdoňov

Demeter CS and BIO Farm Zdoňov Ltd.

Would like to invite you for a Biodynamic Preparation Day and a unique seminar given by **Mr. Marko Pogačnik** in the the picturesque Adršpach rocks. The focus will be given to the production, storage, and application of the **Biodynamic preparations**. As a bonus workshop will be given by a special guest.

Bio Zdoňov Ltd. Is a biodynamic farm, working organic since 2009. Since 2019 is the farm fully under the Demeter certification. **Mr. Marko Pogačnik** is a world-renowned geomancer. He was named three times by UNESCO as an Artist for Peace and by the UN a Goodwill Ambassador. Marko is the founder of Lithopuncture, a method of healing the Earth using cosmograms carved into stone stelae. Since 2005 he works together with an international group of geomancers creating geopuncture installations to harmonize energies in the landscape.
